Welcome to Binson's State of Indiana Incontinence and Medical Supply Program. We are committed to providing you with quality incontinence products. All products will need to be ordered by your physician. We also offer an in-house nursing staff for telephone consultation and initial nursing assessments.

Beginning February 1, 2008, Binson's began providing bowel/bladder incontinence supplies by FedEx, United Parcel Service (UPS) or United States Postal Service (USPS) through a home delivery contract with Indiana Medicaid. Your products will be shipped to you monthly unless you report changes.

Our team of customer service representatives is available to answer your questions and assist with your product needs. If you have questions regarding your supplies or did not receive your supplies, please call us at **1-888-217-9610**.

PRODUCT SUPPLIED:        **CONDOM CATHETERS (Texas catheter)**

#### DESCRIPTION:

- A specially designed condom that has a catheter attached to the end. The catheter carries urine into a collection bag.
- Condom catheters are external and are placed over the penis. They are held in place with an adhesive that is on the condom, adhesive strips or a foam strip.
- Available in small, medium, large, and extra-large sizes.

#### Product Use:

- Skin of the penis should be clean and dry before applying the catheter.
- Apply condom catheter according to manufacturer's directions.

#### Skin care:

- Cleanse area thoroughly with mild cleanser and warm water and dry after removing used condom catheter and before applying a clean one.
- Inspect the skin of the penis daily for redness, rashes or breaks in the skin. Notify physician immediately if any of these things occur.
