Welcome to Binson's State of Indiana Incontinence and Medical Supply Program. We are committed to providing you with quality incontinence products. All products will need to be ordered by your physician. We also offer an in-house nursing staff for telephone consultation and initial nursing assessments.

Beginning February 1, 2008, Binson's began providing bowel/bladder incontinence supplies by FedEx, United Parcel System (UPS) or United States Postal System (USPS) through a home delivery contract with OMPP. Your products will be shipped to you monthly unless you report changes.

Our team of customer service representatives is available to answer your questions and assist with your product needs. If you have questions regarding your supplies or did not receive your supplies, please call us at **1-888-217-9610**.

PRODUCT SUPPLIED: **IN-DWELLING OR FOLEY CATHETER**

#### DESCRIPTION:

- A hollow tube that is inserted into the bladder through the urethral opening to empty the bladder of urine.
- Made of latex, silicone, latex-free or silicone-coated material.
- Has a small balloon at the tip that is inflated with sterile water after insertion to help maintain placement in the bladder.
- Available in many sizes. Your physician will choose the size that is right for you.
- Attaches to a collection bag that is emptied as needed.

#### PRODUCT USE:

- Follow your physician's instruction or manufacturer's instruction for placement.
- Should be changed at least every two weeks or at your physician's direction.
- Inspect the package thoroughly before use. If the package is damaged, do not use the catheter.

#### SKIN CARE:

- Cleanse urethral area thoroughly with mild cleanser and warm water and dry gently or follow manufacturer's or physician's instruction.
