PR401

The popular Cambridge lift chair has been improved! The Cambridge now comes with Golden's exclusive hybrid sizing for a better fit. The new Small/Medium Cambridge fits people 5'1" to 5'6" and the new Medium/Large fits people 5'7" to 6'2". The new Cambridge features a more supportive biscuit backrest design and a softer, more comfortable seat.

Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

Battery Backup System

Batteries not included. Battery Backup System is designed to bring the chair from the reclined to the seated position in the event of a power outage.

Smart Tek

In the event of a malfunction, our patented SmartTek™ diagnostic system enables you to get your lift chair up and running quickly.
